in even the harshest environments....

iBee[®]

Submersible Temperature Data Logger

Based on the iButton[®], the iBee is a rugged, miniature and low cost temperature data logger that fits into small wet and oily environments.

- ▶ Submersible down to 100 meters
- ▶ FDA approved silicone coating
- ▶ Ideal for canning process certification
- ▶ Free PC software

Memory (Values)	Type	Range (°C)	Precision (°C)	
			Resolution (°C)	
2048	<u>G</u>	-40 to 85	±1°	0.5°
2048	<u>Z</u>	-5 to 26	±0.5°	0.125°
8192/4096	<u>L</u>	-40 to 85	±0.5°	0.5°/0.0625°

High Temperature Autoclave proof

8192/4096	<u>T</u>	0 to 125	±0.5°	0.5°/0.0625°
8192/4096	<u>E</u>	15 to 140	±0.5°	0.5°/0.0625°
